June 3, 2020

RE: Proposed Updated Whitestown Unified Development Ordinance

In accordance with IC 36-7-4-606, the Whitestown Plan Commission hereby certifies their recommendation to the Whitestown Town Council as described below.

At their public hearing on March 9, 2020 the Whitestown Plan Commission gave a favorable recommendation to adopt the proposed updated Whitestown Unified Development Ordinance with a 7-0 vote. The complete proposed Unified Development Ordinance is contained in the attached **Exhibit A**.

However, when favorable recommendation was given by Whitestown Plan Commission the Whitestown Town Court was still in place. Since Whitestown Town Court will be dissolved on or before September 1, 2020, the Whitestown Town Council may need to take this into consideration and amend sections of the Unified Development Ordinance as contemplated under IC 36-7-4-606.
